

ITEC 2010 Event Reviews

Jason Smith, Editor, ITEA Journal
editor@iteaonline.org; (740) 503-4176 (cell)

As is our tradition, an article summarizing ITEC will be published in the fall issue of the *ITEA Journal* (Volume 38:1). The material for this article is primarily individual session reviews from the conference.

Please note the reviews are intended to summarize the session while also including some personal perspective from the reviewer.

Below is additional information. If you have questions, do not hesitate to contact Jason Smith.

- 1) ITEC reviews will be published both in the *ITEA Journal* and *ITEAonline.org* exclusively. Please contact Jason Smith (ITEA Journal, editor) if you are considering additional publication resources for your review.
- 2) Reviews should be between approximately 500–1000 words. A little more is of course acceptable, as you deem appropriate.
- 3) Accompanying images from your review session are encouraged. Please provide an image if you have the means. A picture of the presenter (s) following the event either onstage or backstage is ideal and often much more feasible. Images must be large in resolution (300 dpi) and/or print size.
- 4) Submit Reviews (and images if applicable) to Jason Smith (editor@iteaonline.org) using email as either word documents (.doc or .docx) or text files (.txt;.rtf) by **AUGUST 1, 2010**. You can also opt to submit hard copies (even handwritten) during the week of the conference if desired.
- 5) Please do not be a delinquent! Out of the respect of the performers and presenters, please do not neglect your agreed review.
- 6) Questions? Easiest method for contacting **Jason Smith** is by **email** or **cell phone** at 740/503-4176 (especially during ITEC). Thanks for agreeing and your contribution is a valuable component to ITEC, ITEA, and the organization's publications!
